I, _____ (the "Customer"), understand and agree that following terms and conditions shall also apply to Haffners's 2023-2024 Kerosene Pre-Buy Fixed Price Plan:

- This Agreement must be signed by the Customer and submitted to Haffners with the total payment for gallons to be pre-purchased under this Agreement and any applicable NON-REFUNDABLE Downside Protection Fee payment in full no later than Friday, September 29, 2023 to lock in the gallons and pricing.** The term of this Agreement and the effective period for kerosene deliveries under this Agreement shall be from the date Haffners has accepted this Agreement through April 26, 2024. The pricing under this Agreement shall cease on the earlier of April 26, 2024 or when the number of pre-purchased gallons have been depleted, whichever comes first.
- Customer must have established credit terms with Haffners and must be enrolled in automatic delivery with us for the entire Agreement period (unless other arrangements are made with our company prior to submission of this Agreement). **ENROLLMENT IN AUTOMATIC DELIVERY WILL END ON APRIL 26, 2024. - This Agreement is for the purchase of kerosene product only and does not include the cost of any services.
- Customer shall only purchase kerosene from Haffners during the term of this Agreement. **CUSTOMER WILL NOT RECEIVE A CASH/CHECK/CREDIT CARD REFUND FOR ANY UNUSED GALLONS if Customer did not take delivery of the total number of gallons Customer pre-purchased under this Agreement by April 26, 2024. Customer will receive a Credit(s) to Customer's account for any gallons not delivered by April 26, 2024 in the amount equal to the price paid per gallon multiplied by the number of unused pre-purchased gallons, which credit(s) may be used for future fuel or service purchases only.** Any such purchase will be at the current daily posted price at the time of the delivery or service. Additionally, if Customer uses more gallons than Customer pre-purchased under this Agreement, Customer will be required to pay the current daily posted price at the time of delivery for such gallons.
- Customer does not have the right to assign this Agreement without Haffners's prior written consent.
- Haffners shall not be obligated to perform under this Agreement if prevented by any local, state or federal regulations governing any energy crisis or other events beyond their control, which may interrupt, limit or halt the supply of heating fuels.**
