I, _____ (the "Customer"), understands and agrees that following terms and conditions shall also apply to Haffners's 2023-2024 Propane Pre-Buy Fixed Price Plan:

1. **This Agreement must be signed by the Customer and submitted to Haffners with the total payment for gallons to be pre-purchased under this Agreement in full no later than Friday, September 29, 2023 to lock in the gallons and pricing.** The term of this Agreement and the effective period for deliveries under this Agreement shall be from the date Haffners has accepted this Agreement through April 26, 2024. The pricing under this Agreement shall cease on the earlier of April 26, 2024 or when the number of pre-purchased gallons have been depleted; whichever comes first.

Customer must have a separate, current Customer Agreement in place with Haffners and must be enrolled in automatic delivery with Haffners (unless other arrangements are made with our company prior to submission of this Agreement). **Enrollment in automatic delivery does not terminate once Customer takes delivery of all pre-purchased gallons under this Agreement, and Customer shall be responsible to pay for any gallons purchased in excess of the pre-purchased gallons purchased hereunder at the current daily posted price at the time of delivery for such gallons.**

Customer will receive a Credit(s) to Customer's account for any pre-purchased gallons not delivered by April 26, 2024 in the amount equal to the price paid per gallon multiplied by the number of unused pre-purchased gallons, which credit(s) may be used for future fuel or service purchases only.** Any such purchase will be at the current daily posted price at the time of the delivery or service. Additionally, if Customer uses more gallons than Customer pre-purchased under this Agreement, Customer will be required to pay the current daily posted price at the time of delivery for such gallons.
